Looking As Good On The Outside As You Feel On The Inside Is Essential Business

Skin Care For Gents Delivers Self-Care Through At-Home Facial Kits for Men and Women

[CHICAGO, IL, April 23, 2020—] Skin Care For Gents, located in Chicago's Andersonville neighborhood, specializes in gentlemen's skincare and hair removal services in a private spa atmosphere. With so many of us sheltering at home during the COVID-19 crisis, Skin Care For Gents has launched At-Home Facial Kits. Using the same clinical grade products in their in-spa treatments, coupled with a free live streamed guidance by licensed aestheticians, the At-Home Facial Kits deliver the same results you'd get at the spa from the comfort and safety of your home. At-Home Facial Kits can be ordered on their website (<https://www.skincareforgents.com/athomekits>) where clients also schedule one-on-one live streamed tutorials to be guided step-by-step through the process. Skin Care For Gents pioneered this option to help men and women anywhere in the country maintain an important part of normalcy in their lives during this most abnormal time.

Skin Care For Gents has developed multiple At-Home Facials Kits to address different conditions including anti-aging, dry, dehydrated or irritated skin types, as well as a customizable kit suited for the specific skin type and needs of the client. At-Home Facial Kits contain all the clinical grade products needed to deliver two multi-step facials with spa driven results.

Owner, Eddy Ocampo noted a 2020 study from The Sound - a global brand consulting agency - that found people want to be recognized for their inner beauty, but they acknowledge that outer beauty is perceived as a critical element of being considered successful by others. Through their At-Home Facial Kits, Skin Care For Gents is helping men and women bridge the gap between inner and outer beauty delivered in a wholly unique way.

[Skin Care For Gents] is located in the Andersonville neighborhood of Chicago. Specializing in skincare and hair removal for men, they bring over ten years of experience to serve their local and celebrity clients. For more information, visit skincareforgents.com.
